

Computer science

Paper 1

- * C++
 - study of functions
 - study of arrays
 - Class and objects
 - concepts of object oriented programming
- programs
- * Data structures
- * Operating systems
- * HTML
 - tags
 - programs

Paper 2

8085 -

- * Intro to 8085 microprocessor
 - * Architecture of 8085
 - * Statements of 8085
 - * Assembly language Programs
 - * Study of members of X- 86 family
 - * Study of 8051 microcontroller
 - * Networking
 - concepts
 - types of network
 - devices
-
