Add-On Programmes for All First Year Students

January 04, 2020

Dear Teachers/Students,

We shall be starting immediately with the **Add-On Papers/ Courses which are interdisciplinary** for our First-Year students under the HSNC University Mumbai. They will be assessed at the end of the academic year.

Students can select one Add- on course as per the following options.

A) Add-on Paper (Appendix-I)

1. Under this option, FY students can select One Paper from a Subject (other than her/his stream) as given in Appendix-I

B) Add-On Certificate Course (Term Wise). (Appendix II)

1. Under this option, FY students can select One Certificate Programme in the First – term as per appendix –II.

C) Add-On Certificate Courses (one year duration). (Appendix III)

1. Under this option, FY student can select Yearly Certificate Programme as per appendix –III.

Interdisciplinary programme is essential for the intellectual growth of a student. It is an important aspect of National Educational Policy 2020 and shall become mandatory in the the New Academic year for institutions across India.

HSNC University is the first university to implement such interdisciplinary learning model in this academic year.

Please guide each FY student to enroll a one option out of A/B/C Options.
